SPECIFICATIONS:

- Capacity: 243 lbs (110 kg)
- Accuracy: $\leq \pm 0.05\%$ of reading
- Resolution: 0.05 lb / 0.5 oz / 0.01 kg
- Automatic shut-off: 3 hours
- Operating temperature: 32 to 120°F (0 to 49°C)
- Battery life: approximately 38 hours
- Platform: rugged, non-slip
- **Specifications for Bluetooth[®] wireless technology:**
 - 260' (80m) maximum line-of-sight range
 - Bluetooth[®] 4.2 and 5

The Ultimate Device for Charging and Recovering of Refrigerant

Mastercool's Black Series Electronic Charging Scale with Bluetooth[®] Wireless Technology is designed to deliver precision accuracy, high capacity and advanced features for professional automotive and HVAC technicians. This unit features an extra-large back-lit LCD display for easy reading from any angle and three display modes (kgs, lbs, oz) for precise measurements. With a high capacity of up to 243 lbs (110 kgs) it is easily one of the best on the market. This package includes access to download our free Mastercool Connect app, enabling full mobility with easy access to activity on all compatible handheld smart devices. Whether you are performing refrigerant charging, recovery, or tank capacity tracking, this scale provides the accuracy and reliability needed to complete the job.

Durable and Portable

Strong aluminum base with a rugged, non-slip platform provides extra durability while working in any environment. The included compact and heavy-duty carrying case allows for easy portability to any job site.

Manufactured for Performance

The large rugged, non-slip platform provides for easy weighing of refrigerant tanks with an accuracy of $\leq \pm 0.05\%$ of reading.

High Capacity and Precision

Easily handle refrigerant charging and recovery tasks with a maximum capacity of 243 lbs (110 kg) and a precision accuracy of $\leq \pm 0.05\%$ of reading, perfect for HVAC and automotive applications.

Extra-Large Back-lit LCD Display

Experience clear and easy-to-read measurements in kgs, lbs, and oz from any angle, even in dimly lit environments.

Bluetooth[®] Wireless Connectivity

Seamlessly pairs with the Mastercool Connect App to monitor and control operations remotely on compatible iOS and Android devices up to 260 ft (80 m) away. The Mastercool Connect app is used exclusively with Mastercool's Bluetooth[®] capable HVAC and automotive service tools and equipment. This app provides full mobility for our Bluetooth[®] enabled products as live activity can be easily viewed on all compatible hand-held smart devices. The Mastercool Connect App requires iOS versions 11 or later and Android versions 6 or later. Simply download the free Mastercool Connect app to begin receiving and analyzing data from any nearby Mastercool enabled Bluetooth[®] device.

Use the Electronic Charging Scale and the Mastercool Connect App to:

- Remote display weight of charge and recovery quantities
